Dear Parent/Guardian,

The use of web-based educational resources has risen steadily over the last decade and are increasingly being used by teachers across Queensland to improve student learning outcomes. Registering with these providers requires student personal information to be disclosed to the provider of the service. In the case of the services outlined below they are private companies that are hosted *onshore in Australia or outside of Australia*.

- Class Teacher

We need your permission for your student to allow the registration and use of these sites or other sites recommended by Toogoolawah State School.
